Infrastructure Company IVRCL has won orders worth Rs 552.31 crore in its buildings, transportation and water divisions.

Its buildings division has won orders valued at Rs 418.51 crore, which include a slum rehabilitation project in Delhi, civil and structural steel works for fuel and flux crushing facilities of Bhilai Steel plant in Chattisgarh and construction of infrastructure for a reserve battalion of CISF (Central Industrial Security Force) in Tamil Nadu.

IVRCL has also received Rs 74.49 crore orders for a road widening project in Orissa and Rs 59.31 crore Muzaffarpur water supply project in Bihar, the company said Wednesday.

IVRCL shares were trading up 4.4% at Rs 36.95 on NSE in noon trade.
