

IVRCL bags order of Rs 564.62 crore

Hyderabad, Mar. 16, 2011: Infrastructure and construction firm IVRCL Infrastructure's power, buildings and transport division bagged orders worth Rs.564.62 crore

The power division has secured two supply and services contracts, amounting to Rs 359.61 crore, from Power Grid Corporation of India.

Both the orders are in the transmission line segment, the company informed Bombay Stock Exchange (BSE) today.

The first one for a 174-kilometre transmission line in the north eastern region, is one of the largest orders in the segment for the company with an order value of Rs 239.67 crore. The other order is for a 123-kilometre transmission line from Angul Pooling Station to Jharsuguda Pooling Station (Line-1) (Part-1) in Orissa.

The building division has secured orders with an aggregate value of Rs 131.46 crore. The first one is from Nagpur Housing and Area Development Board for construction of 320 residential apartments in Nagpur. The others are from NMDC, Hyderabad, for miscellaneous buildings including boundary wall works for pellet plant project at Donimalai, Karnataka.

The transport division also bagged orders for the construction of an embankment for widening of bypass from metropolitan bridge to Garla station road crossing awarded by Kolkata Metropolitan Development Authority worth Rs.73.55 crore.

The division also procured an order from Ambuja Realty Development, Kolkata, for installation of bored piling work with hydraulic rotary rig for an IT office complex at Salt Lake, Kolkata.

The company has also received orders from the Karnataka State Road Transport Corporation (KSRTC) for construction of KSRTC satellite bus station with its sub-works at Peenya, Bengaluru.
