April 07,2006

Dear Mr. K. H. K. Prasad

I am very happy to know that , the emergency work of 989mm dia, 46.7 Km length M.S.pipeline section from Vartu Dam to Kalyanpur Filter plant (Part of ANC -21 project) has been successfully completed and the drinking water crisis is resolved for around 75 villages in Okha Mandal and Kalyanpur taluka of Gujarat during the ensuing summer season of 2006.

This is the result of your enthusiasm, commitment and acceptance of challenge for completion of the job in very short period of 90 days.

I once again take the opportunity to congratulate and appreciate you and your team for repeated successful completion of the emergency jobs . I also appreciate IVRCL's ability and commitment to complete the work with in the targeted time and meeting the requirement of GWSSB.

Thanking you,

Yours sincerely,

(P. G. Gadani)
