3. We have reviewed the accompanying unaudited standalone financial results ("the Statement") of IVRCL Limited ("the Company") for the quarter and half year ended September 30, 2021 attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

4. This statement, which is the responsibility of the Company's management and approved by Company Liquidator. The Statement has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act 2013, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review of such financial statements.
5. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement(s). A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
6. We refer to following notes to the accompanying Statement:
 - a. Note 8(a) of the statement, in respect of preparation of financial statements of the Company has incurred a Net Loss of ` 47,498.81 lakhs resulting into accumulated losses of 11,46,727.68 lakhs and erosion of its Net worth as at September 30, 2021. The Company has obligations towards fund based borrowings (including interest) aggregating to ` 13,24,917.14 lakhs as per books of accounts and non-fund based exposure aggregating to ` 58,288.48 lakhs, operational creditors and statutory dues, subject to reconciliation/verification as stated in note below, that have been demanded/recalled by the financial/operating creditors pursuant to ongoing Liquidation process as going concern, obligations pertaining to operations including unpaid creditors and statutory dues as at September 30, 2021. The Company's ability to continue as going concern is depend upon many factors including continued support from the financial creditors, operational creditors and submission of viable revival plan by the prospective investor/bidder. As the company initiated second E-auction process for sale of the company as a going concern, in the opinion of the management, the company will continue its operations and the above results have been prepared on the basis that the Company is Going Concern, and however, the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying the Statement.
 - a. Note 8(b) of the statement in respect of recognition of deferred tax asset on account of carry forward unused tax losses and other taxable temporary differences aggregating to ₹95,705.88 lakhs. As the company is a going concern by the Order of NCLT dated 26th July 2019 with corrigendum order issued on July 31, 2019 and initiated second E-auction process for sale of the company as a going concern, the management of the company is confident that sufficient future taxable income will be available against which such deferred tax asset will be realized. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized, such recognition is not in accordance with Indian Accounting Standard 12 "Income Taxes" (Ind AS 12). Had the aforesaid deferred tax assets not been recognised, loss after tax for the quarter and half year ended September 30, 2021 would have been higher by ₹95,705.88 lakhs and other equity would have been lower by ₹95,705.88 lakhs.
 - b. Note 8(c) of the statement in connection with the existence of material uncertainties over the reliability of bank guarantees encashed by customers, certain trade receivables, unbilled revenue, security deposit, withheld, claims of indirect taxes and other deposits including bank guarantees encashed by customers aggregating to ₹ 1,41,118.26 Lakhs which are subject matters of various disputes /arbitration proceedings/ negotiations with the customers and contractors due to termination / fore closure of contracts and other disputes. The management of Company is confident of positive outcome of litigation/ resolution of dispute and recovering the aforesaid dues. Had the aforesaid assets been provided for impairment, loss after tax for the quarter and half year ended September 30, 2021 would have been higher by ₹ 1,41,118.26 Lakhs, other equity would have been lower by ₹ 1,41,118.26 Lakhs.
 - c. Note 8(d) of the statement in respect of investment of ₹ 1,83,443.13 lakhs in subsidiaries engaged in BOT and other projects as at September 30, 2021, which are under disputes with the concessionaire, and other subsidiaries that have significant accumulated losses as at September 30,

2021. The management of the Company is at various stages of negotiation/communication/arbitration with respective contractee/clients of such subsidiaries engaged in BOT and other projects to recover the dues and cost incurred by the Company and taking necessary steps to turnaround the loss-making subsidiary Companies. As the company is a going concern by the order of NCLT dated 26th July 2019 with corrigendum order issued on July 31, 2019 and initiated second E-auction process for sale of the company as a going concern and in view of ongoing discussion, no provision has been considered necessary by the management in respect of impairment in the value of investment. In absence of fair valuation of these Investments, we are unable to comment upon the carrying value of these investments and the consequential impact, if any, on the accompanying standalone financial results.

- d. Note 8(e) of the statement in respect of loans and advances of ₹ 74,254.64 lakhs as at September 30, 2021 given to subsidiary companies, associate, net receivable against development rights, various sub-contractors, vendors and other parties that are outstanding for long period. The management of the Company is at various stages of negotiation/communication/arbitration with respective contractee /clients/ sub-contractors/vendors to recover the dues and cost incurred by the Company and taking necessary steps to turnaround the loss-making subsidiary Companies. Some of these claims are under further verification/validation and the same may be updated as per any additional information which may be received in future. Hence there are differences between the liabilities admitted vis-a-vis balance as per books of account., that are currently under consideration/reconciliation. Pending reconciliation/admission of such claims, we are unable to comment on the consequential impact, if any, on the accompanying statement;

The recovery of these amounts is subject to reconciliation, filing of returns and admission by respective statutory authorities and the status is still continued. No adjustments have been made in the books of accounts in respect of such amounts, thus we are unable to comment whether any provision for impairment in the value of advances is required.
